Guest Lecture on Career Success – 12th September 2024

Mr. Ranju Thomas, an experienced HR professional from Biocon Biologics, delivered an insightful and engaging guest lecture on “Career Success” to the 2nd-year MBA students. He highlighted three key pillars essential for long-term success: Personal Wealth Management, Networking, and Personal Well-being. The session was highly interactive, with students sharing their innovative ideas on building a retirement fund. Mr. Ranju provided practical advice and real-world examples, leaving the students with valuable takeaways to apply in their future careers. The lecture offered an enriching experience, inspiring students to think holistically about their career paths and success strategies.
