# PRINCIPAL'S MESSAGE

**“There are many capable women and we are one of them.”**

**Proverbs 31:29**

An educational institution has the immense responsibility of shaping the future citizens of this world. With over 50 years of experience in imparting knowledge, skills and ethics to young women, Jyoti Nivas College Autonomous has always fulfilled this responsibility. Founded in 1966 as a minority Christian college managed by the Society of Sisters of St. Joseph of Tarbes, JNC has remained steadfast in its goal of providing a balanced and comprehensive education in the liberal Arts, Sciences and Commerce and Management.

Women's empowerment is linked to their education. Our goal as a women's college is to empower our young women. With female students from varied backgrounds and with different skill sets and talents, JNC focuses on equity, inclusion and nurturing diversity.

One of our core values is faith in God. Through faith and hard work, the foundation of this college was laid. I am grateful to our sisters and staff who have worked tirelessly to build this great institution. We now have the responsibility to take it forward.

Education is a priceless gift. We are fortunate to have received this precious gift. May we be sensitive citizens with a generous heart to share what we have, live in harmony and peace and the strength to build a society of committed women who are empowered to empower others.

Thank you.

God bless us as we let our light shine!!!

## **ACADEMIC INFORMATION**

### **National Education Policy (NEP)**

The National Education Policy 2020 (NEP 2020), which was approved by the Union Cabinet of India on 29 July 2020, outlines the vision of India's new education system. The Karnataka government has implemented the National Education Policy (NEP) 2020 in undergraduate colleges from the academic year 2021-2022, making it the first state in India to do so.

National Education Policy 2020 aims at equipping students with knowledge, skills, values, leadership qualities and initiates them for lifelong learning. It is in tune with the global education development agenda reflected in the Goal 4 (SDG4) of the 2030 Agenda for Sustainable Development, adopted by India in 2015, which seeks to "ensure

inclusive and equitable quality education and promote lifelong learning opportunities for all" by 2030.

The foundational principles of NEP 2020 are Access, Equity, Quality, Affordability and Accountability. The Policy believes that the education system should develop good human beings with rational thinking, compassion, empathy, courage, resilience, scientific temper, creativity and ethical values. It aims to recognise, identify and strengthen the unique capabilities of each student, promoting holistic development in both academic and non-academic spheres.

Adhering to the guidelines issued by the Government of Karnataka and Bengaluru City University, Jyoti Nivas College Autonomous has implemented NEP 2020 from the academic year 2021-2022.

As per the NEP, the duration and structure of the Degree Programmes have been modified and an Undergraduate degree is structured for 3 or 4 years with multiple exit options. Students are eligible to obtain a certificate after one year of study, a diploma after two years of study and a Bachelor's degree after three years of study. Four years of study will lead to a Honour's degree in the chosen major subject.

NEP is based on the Choice Based Credit System (CBCS). The accumulated credits are digitally stored in the Academic Bank of Credits (ABC).

The Karnataka State Higher Education Council has suggested a model curriculum framework for implementing the NEP to enable a

significant shift in the contemporary undergraduate programme. It has been designed on the outcome based education approach. The current programmes have been modified and replaced with multidisciplinary and holistic education with multiple entry and exit options.

## **CATEGORIES OF COURSES UNDER NEP**

**A LANGUAGE COURSE** encourages fresh and free thinking and clarity of expression in thought and speech. It forms a foundation for learning other courses. It helps in fluent communication. They provide fundamental knowledge and expertise to produce competent, creative Graduates with strong scientific, technical and academic acumen. The purpose of fixing core courses is to ensure that all the institutions follow a minimum common curriculum so that each institution adheres to a common minimum standard which makes credit transfer and mobility of students easier.

**DISCIPLINE ELECTIVE COURSES** offered under the main discipline are referred to as Discipline Specific Electives. An Open Elective Courses is a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides extended scope or enables an exposure to some other discipline subject/domain or which nurtures the candidate's proficiency/skill.

## COLLEGE ANTHEM

---

Ring the bells of Jyoti Nivas,  
Flame of Wisdom bright,  
Proudly we unfurl the banner  
Of this Abode of Light  
Hearken all ye Jyotivivites  
To the clarion call  
Duty, Truth and Loving Kindness  
Show to one and all.  
Thousands proudly through her  
portals  
Passed with fame and pride  
Long their light shall linger o'er us  
And with us abide.  
If at times shadows darken  
O'er life's stormy sea.  
May the light of Jyoti Nivas  
With you ever be.  
Hail once more immortal college  
Site of Wisdom's lore  
Through long years of selfless  
service  
Reign forever more.

## STUDENTS' PRAYER

---

God of the universe, author of life,  
Supreme Lord, source of knowledge  
and wisdom,  
We come before you to receive your  
blessings.  
Give us the wisdom that we may  
use to the full,  
the gifts and talents which you have  
given us.  
Help us respect all people as  
members of one great family.  
Help us to know you, the beginning  
of wisdom,  
your purity, that we also being pure  
in heart  
may see you and your love,  
that we may love you as you have  
first loved us  
May your presence go with us,  
your love sustain us and your peace  
abide with us.  
Amen
