Post 2019, when the B.M.M syllabus/degree was revised by the University of Mumbai and renamed 'B.A in Multimedia and Mass Communication' (B.A.M.M.C), a number of elective courses were introduced, for students to choose a course that's best suited for them. Another added benefit of the current B.A.M.M.C course is, it's industry friendly format.

The college was started in 2018 with the Bachelor of Mass Media degree programme for women students only. Thereafter in the year 2021, short-certificate courses were introduced in various specializations such as - Legal Journalism, Sound Engineering, Documentary Film Making, Radio Jockeying, Business English Skills, and, Sound and Film Editing. These short-certificate courses – affiliated to the University of Mumbai - are available to both in-house and external students, including male learners, and are meant to enhance vocational skills. The three-year Bachelor of Management Studies degree programme was added in the Academic Year 2022. Here also, students choose their area of specialization (Finance/ Marketing/Human Resources). In three years (6 Semesters), we aim at not only training women to become excellent managers, executives and entrepreneurs but also developing their overall personality.

The college is a fast-growing Mumbai institution empowering young women - through career-oriented higher education - enhancing their creativity, communication skills and improving

their capacity to analyze. At the undergraduate level the college is only for women; whilst the short-certificate courses are open to both women and men.
