

Nipun Testing Camp and Rajyapuraskar Pre-Testing Camp

Date: 27 June 2026 – 1 July 2026

Duration: 5 Days

Venue: Dr. Annie Besant State Training and Camping Centre, Doddaballapur

Participants from JNC: 17 Rangers

A total of **8 Ranger students** participated in the Nipun Testing Camp and **9 Rangers attended** the Rajyapuraskar Pre-Testing Camp.

Objectives - The camps focused on developing scouting skills, leadership, discipline, and teamwork. The programme began with registration, patrol formation, camp briefing, and flag hoisting. Each day started with BP-6 exercises, followed by inspection and training sessions.

Training Activities included:

- 1 Pioneering – Practised using poles, ropes, knots and lashings to construct structures, developing teamwork and coordination.
- 2 Mapping and Compass – Learnt basic map reading, compass use, directions and navigation.
- 3 First Aid – Learnt basic first-aid techniques and emergency response.
- 4 Gadget Making – Created useful camp gadgets using poles, ropes and available materials.
- 5 Knots and Lashings – Practised essential knots and lashings for outdoor and pioneering activities.
- 6 Daily Practical Activities – Included exercises, inspections, skill sessions, demonstrations, group activities and assessments.

Campfire Night:

A memorable group event featuring performances that encouraged creativity, confidence, teamwork and group bonding.

Outcomes - The sessions covered the Scout/Guide Promise and Law, knotting and lashings, pioneering, campcraft, mapping and compass, first aid, estimation, gadget making, and outdoor survival skills. Participants took part in practical demonstrations, group activities, and oral and practical assessments. Campfire programmes, cultural activities, and community

service promoted confidence, cooperation, and a spirit of service. The camps concluded with final evaluations and a closing ceremony, preparing participants for higher levels of scouting.

The Below Pics are Pioneering Activities

1) Tripod Stand :

2) Tower Bridge :
