

# **JYOTI NIVAS COLLEGE**

## **Autonomous**

### **Bengaluru , Karnataka**

#### **ANTI-PLAGIARISM POLICY**

As one of the best practices adopted by the **Research Cell of Jyoti Nivas College Autonomous** for ensuring academic integrity, an anti Plagiarism Policy has been implemented. Researchers and faculty of Jyoti Nivas College Autonomous who wish to publish papers in the in-house journals as well as submit papers to other national and international journals for publication have to understand the college's definition of plagiarism and guidelines for publication. The committee instituted screens and approves papers for submission.

All papers submitted for publication in the in house journal 'Academic Studies – National Journal of Jyoti Research Academy' (ASNJJRA) both by internal and external members will be assessed using the Anti-Plagiarism Software. This software has been sourced online <https://plagiarismcheckerx.com/download/>.

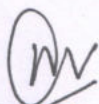

It shows the percentage of the submission that matches other sources and furnishes an originality report which high lights the text matches.

Researchers or faculties intent is classified as suspected academic misconduct if the author is found:

- Copying someone else's work, both words and ideas.
- Quoting or paraphrasing someone else's work without due acknowledgement.
- Buying or commissioning work from others without due acknowledgement or not attributing research contributed by others.
- Self plagiarism: Using one's own work submitted for publication or assessment elsewhere without due attribution.

All originality match reports are reviewed for approval by the committee.

Faculties are also permitted to submit a draft of the paper prior to an official submission, view their originality report and make the necessary changes for final submission to the committee.
