**Department of Kannada** published a book titled 'Manava Putra Yesu', a translation of Kahlil Gibran's 'Jesus the Son of Man'. The book depicts his words and his deeds as told and recorded by those who knew Him. Our Kannada lecturers Dr. Goolappa G Okkunda and Dr. T N Vasudeva Murthy together translated the book along with relevant notes, annotations, references and footnotes to help the readers comprehend the translation. The book has received very good response in media as well as in the literary circle. Vishwavani, Kannada newspaper and Avadhi, web magazine have listed the book in top ten books of the week. Prajavani, another daily news paper, has made a review of the book and has expressed a positive opinion about the book. The virtual book release function was held in the Principal's office on 22nd December 2020. The Principal appreciated the efforts of Kannada Department.

**Mindsolasta:** Following the path of Positive Psychology, this book aims to enable, encourage, energize and inspire the audience to embrace the importance of loving oneself, the other, and the situations surrounding us. The reader is taken through a holistic illumination where positive thoughts such as the power of resilience, patience, and gratitude are multiplied, thereby welcoming happier situations in life. Authors: Paul Raj and Aishwarya Sibey

**Prime Archives in Psychology** is a compilation of research advances in developments and innovative approaches in various fields of psychology including cognition, health, and clinical psychology, developmental, social, and occupational psychology. Editor: Paul Raj.
